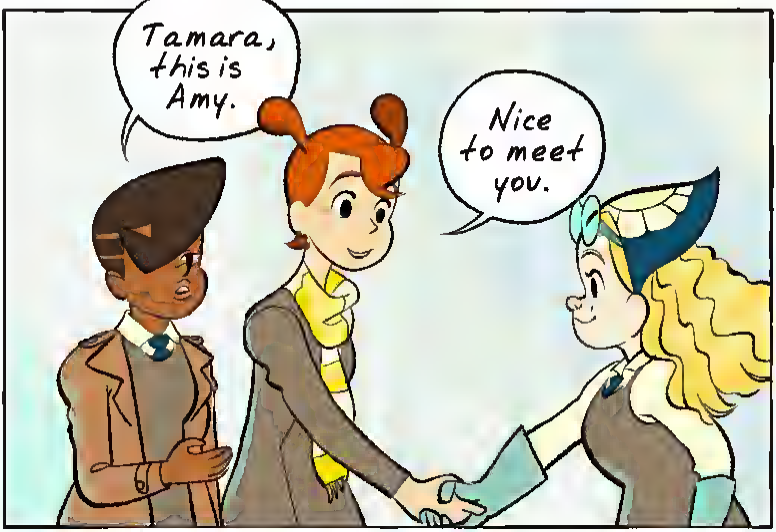
Amy, this is Tamara, the president of the agriculture club.



Tamara, this is Amy.
Nice to meet you.

Oh!
You're that transfer

Sindhu

"This is Sindhu from India. Am a big fan of your comic and i really appreciate you for commenting on every fan art! This is my imagination if Indian Amy!"

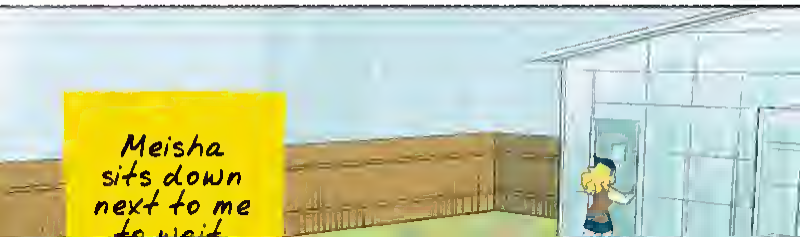
Where are all these rumors coming from?

Kokomo's a small town.
Whenever anyone remotely interesting shows up we can't help but gossip about it.

Aren't you going to eat?
No. I'm not hungry.

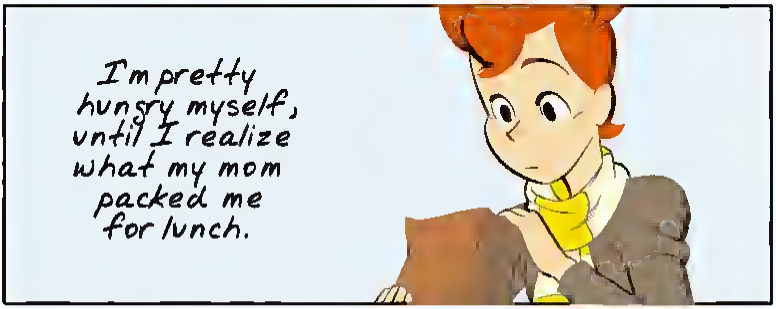
GURGLE

here just a minute ago.



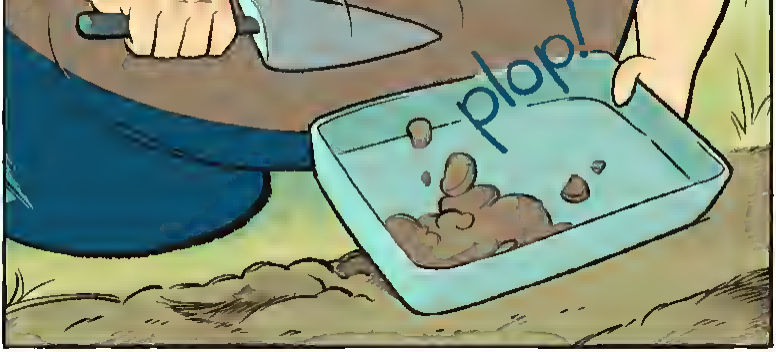
I think she gets grumpy when she's hungry.

I'm pretty hungry myself, until I realize what my mom packed me for lunch.



Kumquats...

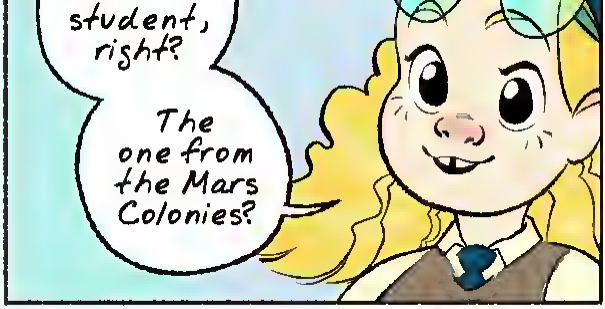
and...



plop!

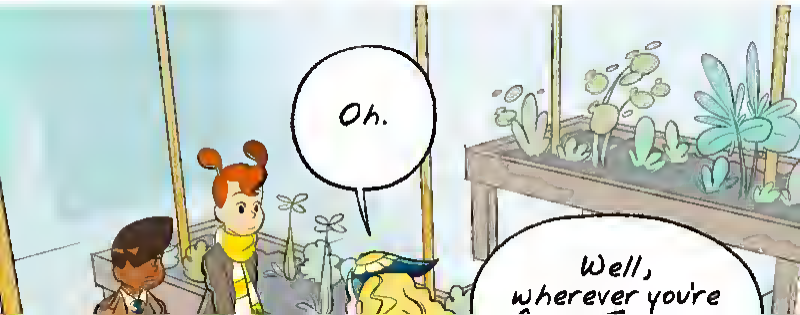
What are you doing?
I'm making a dirt bath for the chicks.

A dirt bath?



student, right?
The one from the Mars Colonies?

Actually, I'm from deep space.



Oh.
Well, wherever you're

Shafer!
Where'd you go, man?
I just went to borrow a baking pan from the culinary department.
Who's this?

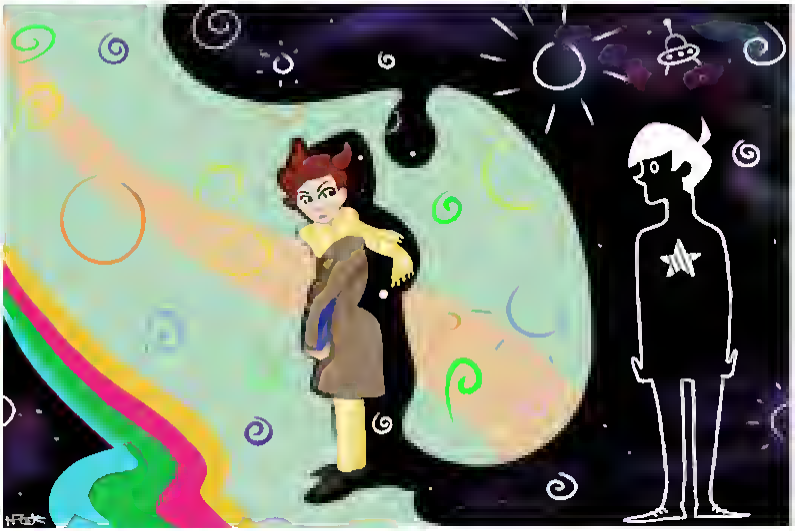
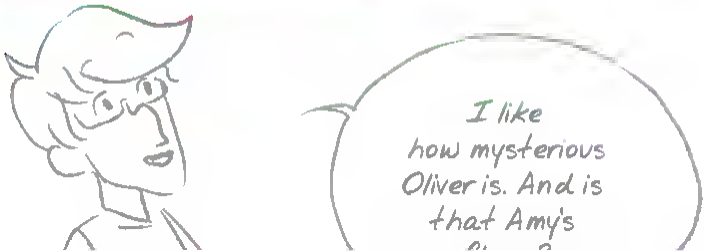
"I remember reading your webtoon as soon as it premiered on LINE, I knew right away when I read that first chapter it was going to be one of my favorites."





Well, let's get started with the meeting, shall we?

Hey, Meisha!

This is Amy, our newest club member.
Oh, you're that one girl, right?
The girl who spent three hundred years in a cryotube?
Thirty, actually.

flavor!

Andie

"I drew Amy and Jemmah hanging out and having fun, since I always liked Jemmah, I hope that Amy will one day be able to call her."

nice.
Thank you.
I've decided to start featuring your fan art every week!
Enjoy!

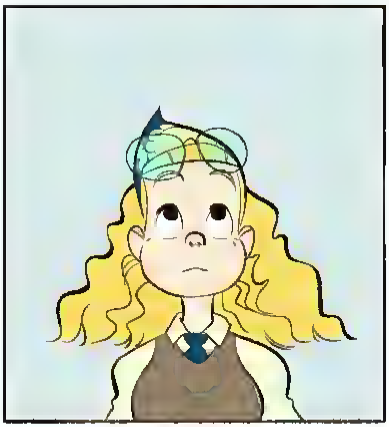
They're on your head, Tammy.



I--
I knew that!

I mean--
I can't eat lunch.
Because...
I'm a vegetarian.
Since when?
Since now.

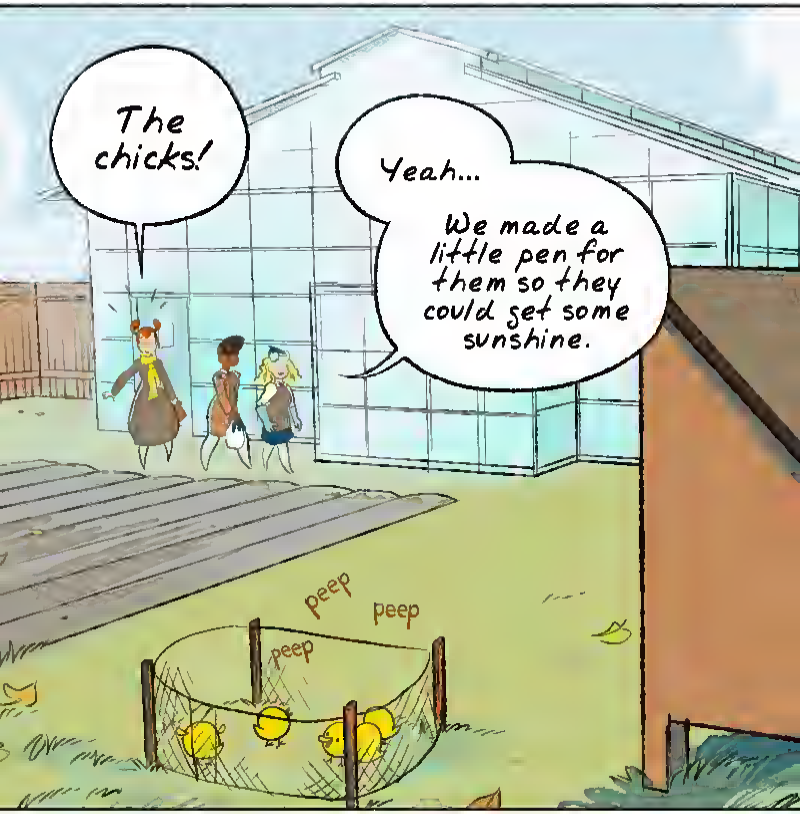
Hmm.
I don't see Shafer.
That is so weird--
He was



The chicks!
Yeah...
We made a little pen for them so they could get some sunshine.

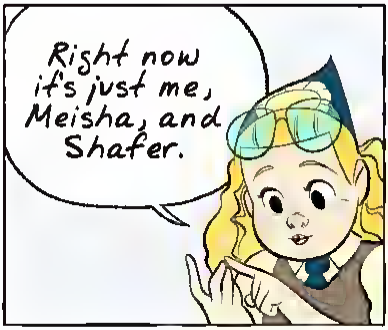
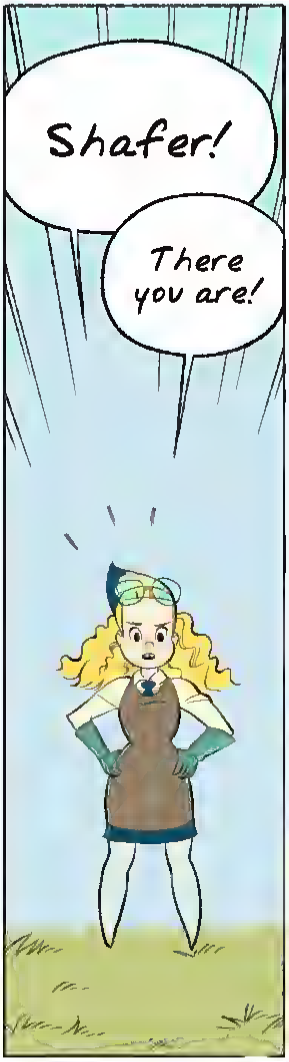
Thank you!

from, I'm glad you're here.

We've been desperate for more club members.





Shafer!
There you are!

I was going to call you but I couldn't find my pet gear

it, see?
And the dirt's actually good for them.
